Interests

Sports: Any kind of athletics. In the age of 10 years I started an active sports career in athletics (sprint and long jump). During these years I won many times Gold Medals within the County and the State I lived and therefore became an aspirant to the National Team.

In the late eighties I have been a sponsor to the German Formula 1 Team "Zackspeed". In terms to the sponsorship we had great fun, in terms to the investment it is not worth to mention. But I am still a Formula 1 enthusiast.

Music: Classic Music, I am also playing Piano, Accordion and Guitar.

Travel: I am extremely interested to learn about other cultures and life styles, means, I am travelling a lot to discover the planet we are living on.

General: Like good food and gourmet cooking. Further I am having a passion for Scottish Malt Whiskey and red wines and member of various Clubs.

Social

Responsibility: I am having sponsorships to some children in the most and disadvantagest areas in this world and I am supporting a school and boarding house for around 28 children in the country of Ghana.
